Altamonte Springs SCIENCE INCUBATOR

2018 Scholarship Application

The City of Altamonte Springs collaborated with a generous partner to award scholarships to aspiring science, technology, engineering or math (S.T.E.M.) scholars in our community. The AS₂I Ansara Scholarship aims to provide students with the ability to explore and develop careers in S.T.E.M. fields. The program will give up to \$1,500 in scholarship funds to students who exemplify a passion for innovating a better world for future generations.

Scholarship Partner

The Ansara family established the AS₂I scholarship to empower our communities and enhance our nation's professional technical workforce. They are passionate about educating Seminole County students and guiding them to a higher standard of learning, while nurturing their college endeavors.

A Division of Ansara
Holding Corporation, Inc.

Student Requirements

Students must meet the following requirements:

- Class of 2018 Seminole County Public Schools graduating senior
- Earned a cumulative unweighted GPA of 2.5 or above
- Accepted into an accredited public or private Florida college or university
- Two letters of recommendation (cannot be a family member):
 - A letter from a science, technology, engineering or math teacher
 - A letter from a coach or extracurricular organization leader
- 500 word essay (attach as a separate Word document)
 - Students will describe their goals and aspirations to pursue a S.T.E.M.-related career and how they will use their education to contribute to their community.
- Scholarship application
- Copy of official transcript
- Participated in the AS₂I program through middle school or high school field trip, summer internship or sign-up to participate for field trip opportunity scheduled on June 12, 2018 to remain eligible.
