# ALTAMONTE SPARKLERS Special Needs Cheerleading

# 2016/2017

# We Don't Sweat,

The Altamonte Sparklers Special Needs Cheerleading program began in 2005 with the vision to provide athletes with mental or physical disabilities an opportunity to experience success, recognition and acceptance by others. The program has grown from just four athletes to over 60 participants competing in numerous events annually across Florida.

The Altamonte Sparklers program is conducted by Altamonte Springs Recreation and a group of dedicated volunteers who continually focus on providing these athletes with a fun experience that allows the opportunity to develop strong self-worth, independence and social skills. This program teaches cheerleading fundamentals, sportsmanship and the spirit of competition.

More than just a cheerleading squad, the Altamonte Sparklers are inspirational athletes who prove anything is possible if given the chance. The program offers team sponsorship opportunities to ensure every athlete can participate, travel to events and have the proper uniform. Please take a moment to review these opportunities or contact us today to create a customized sponsor package.

Thank you in advance for your support. We look forward to recognizing your organization this season.
