## For Immediate Release

**June 12, 2020**—The City of Altamonte Springs remains committed to a thoughtful approach to our COVID-19 response which considers the health and safety of residents and businesses in compliance with all federal, state and county executive orders. Effective Friday, June 12, the City has extended the Local State of Emergency by Executive Order for an additional seven days.

### Effective Monday, June 15:

- The City will offer additional recreational activities including baseball, basketball and softball clinics, baseball and softball drop-in play and adult beach volleyball.
- Online registration begins for fall recreation programs including baseball, softball, flag football, cheerleading and basketball.
- For more information or to register, please visit [www.ASRecreation.org/Register](http://www.ASRecreation.org/Register).

### Summer Camp Registration Begins June 15

- Altamonte Springs Recreation is offering a summer camp program for children ages 8 to 12.
- The program will offer seven one-week sessions beginning Monday, June 22 with the last session starting Monday, August 3.
- Registration is limited to City of Altamonte Springs residents. Weekly registration is required with a capacity of 64 participants each session. Cost is \$90 per session.
- Daily activities include sports and games, swimming, arts and crafts, movies and special guests.
- For more information or to register, please visit [www.ASRecreation.org/Register](http://www.ASRecreation.org/Register).

All residents should follow established hygiene guidelines:

- Wear a cloth face covering in public settings where other social distancing measures are difficult to maintain (e.g., grocery stores and pharmacies), especially in areas of significant community-based transmission.
- Avoid close contact with people who are sick. If you are sick, stay home and practice social distancing.
- Wash your hands often with soap and water for at least 20 seconds.
- Use an alcohol-based hand sanitizer that contains at least 60% alcohol if soap and water are not available.
- Avoid touching your eyes, nose and mouth with unwashed hands.

- Cover your mouth and nose with a tissue when you cough or sneeze. Discard the tissue.
- Clean and disinfect frequently touched objects and surfaces.
