

2021 Charity Golf Tournament COVID-19 Guidelines

The Altamonte Springs Police Department is committed to keeping the players and staff safe and healthy during this unprecedented time. To prevent the spread of COVID-19, we have prepared a list of guidelines for the 2021 Charity Golf Tournament at the Wekiva Golf Club.

Event Staff

All ASPD staff are required to wear masks and maintain social distancing. Hand sanitizer is readily available for participants. Gloves will be worn in the event items need to be distributed during the tournament.

Tournament Participants

All participants must maintain social distancing and wear face masks. Participants within close proximity and/or sharing golf carts must wear face masks. Masks may be removed during active play if social distance can be maintained.

Food/Beverages

All food will be pre-packaged and will be served takeout only. Beverages will be provided in single-use bottles or cans. It is strongly suggested that participants bring their own personal beverages and coolers.

Registration/Payments

Each participant shall complete the registration and payment process prior to the tournament. This includes payments for mulligans, donations, and raffles. Cashless forms of payment are strongly encouraged. Members will check in with golf club staff to receive information on their starting hole and golf cart usage. Participants must wear masks when using the golf carts.

Course Play

All participants must adhere to the rules of the Wekiva Golf Club as well as maintain proper social distancing, mask wearing and any other safety protocols.

Ceremony

Tournament and 50/50 raffle winners will be announced virtually by the end of the day. Please check our Facebook page and your email for the announcement. Raffle prizes will be presented when participants finish their golf round.

Center for Disease Control (CDC) Guidelines

- Stay home if you are sick, have tested positive for COVID-19, are awaiting test results, are showing COVID-19 symptoms or have had a close contact with a person who has tested positive for or who has symptoms of COVID-19.
- Avoid touching your mouth, nose, lips and eyes.
- Bring your own equipment, like golf clubs, gloves and towels, if possible, to limit shared equipment.

- Stay at least 6 feet (about 2 arm lengths) from other players when possible.
- Wear a mask that covers your nose and mouth to help protect yourself and others.
- Wash your hands frequently. If you are unable to wash your hands, use hand sanitizer.
- Please familiarize yourself with and follow best practices published by the Center for Disease Control (CDC) and the Seminole County Executive Order.
